

"You knit me together in my mother's womb..."

Life is a precious gift from God. Each baby born has the opportunity to experience joy, to learn to love and to glorify God, yet every day, desperate women and men in our community make the choice between life and death for their unborn baby. The pressure they face can be intense and the value of the innocent life in their womb is often diminished, but we are here to help.

At Desert Rose Women's Resource Center, we offer free pregnancy tests, ultrasounds, STD Testing, and medically-sourced information concerning all options. We offer the truth. In this loving atmosphere, our clients can learn to see hope in a situation that may have seemed hopeless. We come beside them in their situation, giving God's perspective of both their values and the value of the newborn baby. We give them the tools they need to make it through their pregnancy and beyond. We equip them with the knowledge and information they need to make the choice between parenting and adoption. We are there for them in their moments of pain and hard choices. Won't you join us in this work?

Our Center is powered by your prayers and support. Our daily work is truly life and death. It is because of generous people like you that we can be here to make a stand for life. **Will you pray? Will you volunteer? Will you partner with us financially? Will you make a difference in the life of a young mother and baby?** Go to www.DesertRoseFriend.com for more information.

*For you created my inmost being;
you knit me together in my mother's womb.
I praise you because I am fearfully and
wonderfully made;
your works are wonderful,
I know that full well.
My frame was not hidden from you
when I was made in the secret place,
when I was woven together in
the depths of the earth.
Your eyes saw my unformed body;
all the days ordained for me were written in
your book before one of them came to be.*
